

RECOMMENDED PHOTOGRAPHERS

Pippa Mackenzie

Pippa Mackenzie Photography is made up of the creative wife and husband team of Pippa Mackenzie and Ian Hearnshaw.

With complementary backgrounds in photography, film, design and the graphic arts, they bring a dynamic, contemporary and unique approach to wedding photography. Their work is often featured in many of the UK's leading bridal magazine and they are the recommended supplier for some of the South of England's most prestigious wedding venues including Hampton Court Palace.

Jeremy Makinson

Having started as a photographer at the age of 18, he went on to open his own studio in 1987 working successfully as a general photographer, he then went on to specialize in weddings and portraits using his knowledge of art and lighting together with the great backdrops in the local area to create fabulous images, having won the national wedding photographer of the year, he then went on to receive the highest accolade as the youngest ever Fellow of the British institute of photography in 1989. His studio went from strength to strength as he photographed famous faces, heads of state and foreign and British Royalty, he has lectured on photography in Europe and the Americas, for Kodak and Fuji film.
